## User and Maintenance Information

**IMPORTANT INFORMATION:**  
Please save this product guide.

### Recommended Use

This workbench provides a solid work area for real projects done by young carpenters. A solidly-built vise, included, holds workpieces securely. An additional vise (sold separately as H11) can be attached to the opposite corner.

### ⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.
- ▲ This workbench comes with a real vise which can apply real pressure to fingers and other parts of the body! Keep fingers away from the clamping area!

### Assembly

This product comes in one carton containing your assembled workbench.

**If your shipment is incomplete, please contact Customer Service.**

### Maintenance

Apply a light household oil to the vise screw once a year. Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

### Cleaning

Wash the surface with mild dishwashing liquid or powdered detergent and warm water, using a soft cloth. Rinse with warm water, and dry with a soft cloth.
